Hello,

We're excited that you're interested in this internship opportunity. Please complete the assignment provided below, and upon successful submission, we will reach out to you individually.

Assignment 📝: You have to make a responsive Web Page using HTML, CSS, and JS that can perform the same function shown in the app.

Resources:

You have to create this login page and you can use any assets but the **animation and functionality** should be the same:
https://dribbble.com/shots/21444558-Authentication-Flow

Instructions:-
1)Write the complete code on your own, Don't copy code from the internet and edit it. Write from scratch.
2)Make functionality (we also provided the link to easily understand what you must make. Give your best and submit the file.)
3) Don't use any third-party library. Use HTML, CSS, and Vanilla Js.
4)Submission Deadline: 29th September 2024, 6 pm.⏰
5)Please submit here:- https://forms.gle/UB98UWtWKwrYNCNz9

Important points for submission:-
You need to submit a .zip file.

The zip file should contain:-
1)index file(To run the webpage)
2)Any supporting Libraries, CSS files, etc.

Make it Remarkable!

Good luck, and we can't wait to have you on board with the Celebrare team!

Love + Regards,

Team Celebrare
